FOREWORD

In years to come we will
look back on the '68 Hilite
to the bright memories
which will forever be
cherished; even though
they will have faded into . . .
the shadows of time.

Today we have the hands of students . . . in the future we will have the hands that hold the world . . . engineers . . . doctors . . . lawyers . . . teachers . . . rich . . . poor . . . We have been called a wild, head-strong generation . . . We have seen many changes in everyday life . . . We shall see many more . . . We shall work to better our country, our homes, our lives . . . not only for ourselves . . . but for those who follow us . . . We shall work with our hearts . . . our friends . . . and our hands . . .

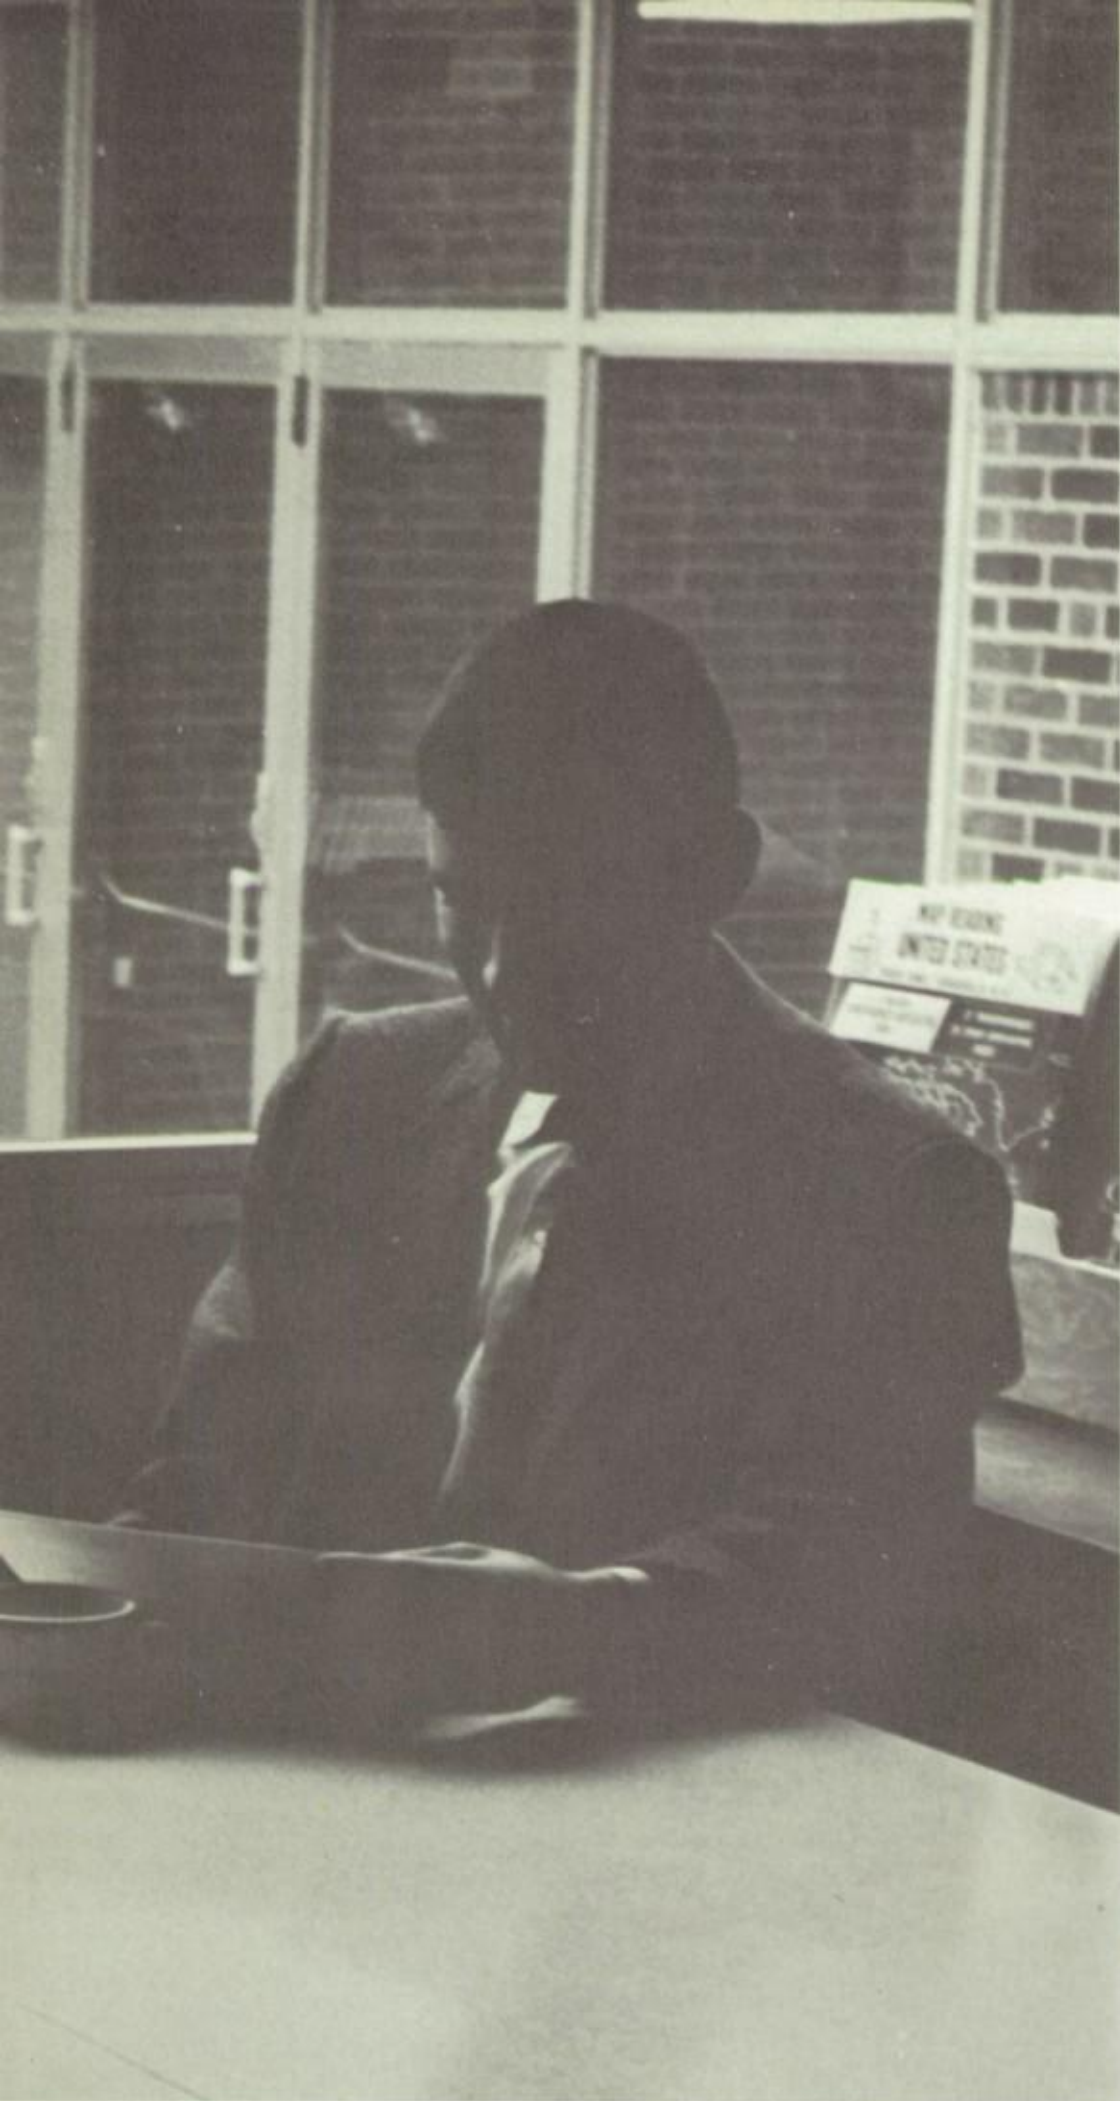

Tomorrow is ours . . . We have the power to make it or break it . . . will we remember . . . our youth . . . our heartaches . . . our hopes?

This is the purpose of this yearbook . . . it can be called the hands of time . . . We dedicate it to youth . . . to success . . . to the hands of tomorrow . . .

The 1968 Hilita . . .

FACULTY

A Kind, but calm voice discussing our problems . . . heaped piles of papers on a desk . . . the expert advice based on experience . . . the needed touch of humor . . . these form pictures in our minds of the leaders who guide us today in our world . . . the faculty.

Educational problems of tomorrow are accepted

ACTIVITIES

LINDA

AND

MIKE

Melodious sounds of music . . . anticipation and excitement of our formal dances . . . worth while projects of the student council . . . a variety of activities whose quality amazes all who visit . . . all a part of our active world beyond our studies . . . often taking long hours of concentrated preparation after school . . .

King Mike and Queen Linda will long remember

Pomp and circumstance set the mood for Homecoming festivities at the assembly Wednesday, October 18. Court and Honor Guard entered semi-darkness to be presented under a flower-covered arch. A moment to be remembered by our King and Queen, Mike and Linda, was their coronation by the Senior Class Advisor, Michael Wolven.

Emotions rose as students attended a bonfire and pep meeting held by the varsity cheerleaders. Spirits remained high as our marching band led the annual parade through town to the field.

During half time, homecoming ceremonies were held as well as the judging of the floats in which the Seniors took first place with their float "Heads They Lose, Tails we Win."

The climax to the festivities was the Homecoming Dance, "Happiness Is . . ." Saturday night in the school cafeteria.

Last year's Queen Mary Lou Rusche crowns Linda Steil as Homecoming Queen of 1967.

Queen Linda Steil and King Mike Mulvey are surrounded by crown bearers Mark Meyer and Gail Haadsma and their court and honor guard composed of Roxanne Brenner, Dave Rusche, Diane Barnes, Bob Kimble, Judy Magee, Skip Weatherford, Sherry Thompson, Neill DeVries, Mindy Mahnke, Mike Paskewicz, Sheila Hendee, Mark Barnhart, Aila Savolainen, Chuck Wilson, Cindy Benett, and Jack Kimble.

their royal rule over Homecoming festivities.

Homecoming King Mike Mulvey is crowned by former King, Toby Patz.

A happy couple, Linda and Mike, leave the field after the half time presentation and coronation.

"The fairest of them all . . ."
Queen Linda sits on her throne
among her Senior court members
composed of Judy Magee, Aila Savolainen,
Sherry Thompson, Mindy Mahnke,
and Sheila Hendee.

"Happiness Is . . ."

"Happiness" began the moment everyone walked through the darkened orange and yellow arch, and it continued throughout the evening. Couples danced among the enchanted forest, while gaily colored birds and squirrels looked down from the trees. There was still time for punch and talk with other happy couples. Homecoming of 1967 was truly a happy moment long to be remembered.

Student Council and Tri-River work well together.

Student Council was responsible for the many activities and improvements for the student body. One big project was homecoming, which was a tremendous success this year. With the help of the classes, organizations, and community, our Student Exchange program functioned splendidly. We were able to send students overseas to learn the ways of other people. We also set up a patriotism assembly in which we honored alumni who fought or are fighting for their country. Along with the more important activities mentioned, we set up a ten minute break every Tuesday and Thursday for students and faculty. We, the Student Council, tried to make this school a better environment for each and every student.

TRI-RIVER MEMBERS: D. McDonniel, L. Cox, M. Pas-kewicz, B. Bronner, M. Mahnke, K. Byers.

President Bill Atwood talks to Advisor Gary Jansen about next month's activities.

Hilite staff and editors work hard

"Shadows" was the fitting theme chosen for your annual this year by the Editor-in-Chief, Jeanie Sepanik. Comstock Park High students have been publishing Hilites for the last 30 or more years. Then the Hilite contained less than 50 pages and a few pictures, as compared to today's 144 pages with over 1000 to a book. To get on the Hilite staff a student should have good grades, be efficient, cooperate, and able to do the work that is assigned to him. Extra-curricular credit is given for working on the Hilite staff. Douglas Hansen is the new yearbook advisor. Marguerite Popovich, the former yearbook advisor, helped him learn how to do his job. They are discussing the quality of a cover with Jeanie.

N.H.S. sets guidelines to be followed.

The National Honor Society is composed of students who have maintained a "B" or better average, and who have excelled in leadership, character, scholarship, and service. Its membership is limited to sophomores, juniors, and seniors. New members are selected each year by a five member faculty. Members who fall below the requirements are dropped from the society. The main purpose is to serve the school, and set a good example for the students to follow.

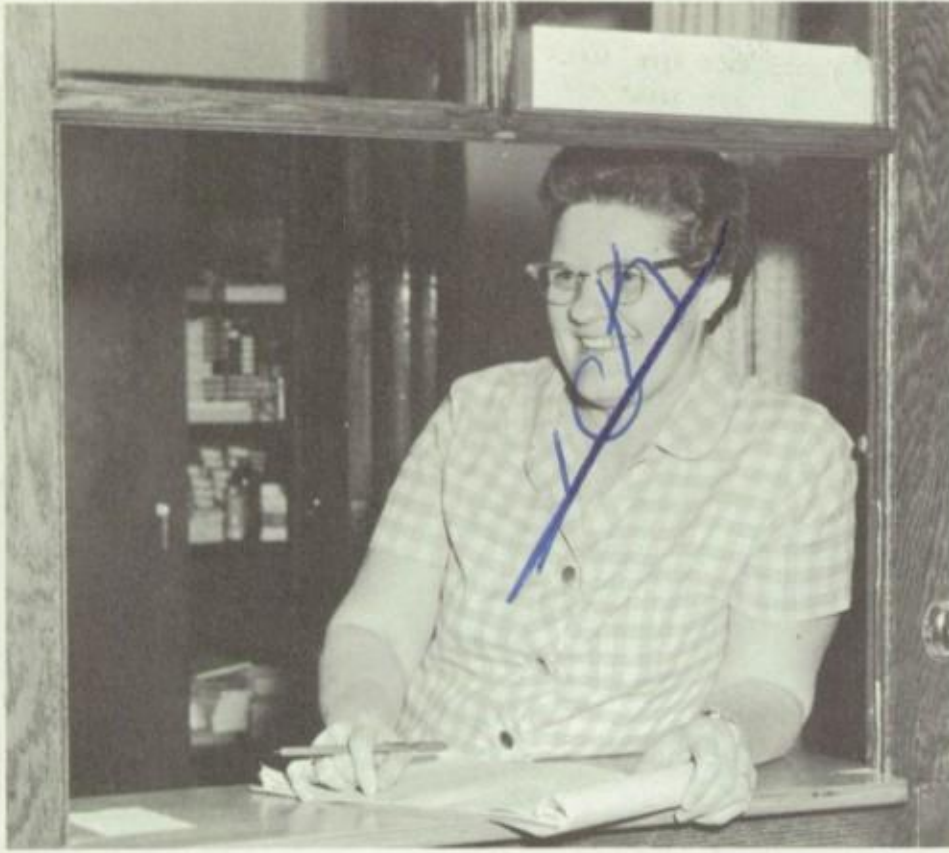

National Honor Society Faculty members are: Howard Meyers; Skaidrite Poga, Lyman McLouth, Lloyd Bishop, and Michael Wolven.

An Office Aid's work is never done!

"Office aids must always be in tip-top shape," says Mrs. Jane Schaub. Among the many duties they must carry out to keep the main office running smoothly are: running errands, delivering messages, mailing packages, delivering daily bulletins, answering the phones, collecting absent slips, typing, filing, and many more miscellaneous tasks for which Mr. McLouth and Mrs. Schaub do not have time. It is a wonderful experience working in an office; it gives one an idea of what must be done in an office everyday.

F.T.A.: Today's students; tomorrow's teachers.

Future Teachers organization aids in developing knowledge of the teaching profession to the students who are to become factors in education. The role in education is an important one, and the demands in this field are numbered. The members of this club try to encourage students to expand in the teaching fields. Spring trips to different colleges in Michigan are planned, to help us find out about definite educational courses. With many upperclassmen in our attendance, we hope also to be able to get experience in student teaching.

FNC means

Focus—Participation in a national program,

Status—Identification with a national movement,

Incentive—Maintenance of national standards.

The purpose of Future Nurses Club is . . . To bring together in high school young people interested in careers in nursing and health in order to share their interests, to explore opportunities and requirements in these fields, to grow as individuals by working together, and to learn about the community life in which they soon will participate as informed citizens. Future Nurses is primarily a service club, but money making and social activities are also included in the program.

“Panther Prints” has become a big success.

Kremer.

Now in its third year, the Journalism Class has created a newspaper not just for the school, but the community as well. The “Panther Prints” began the year by coming out every two weeks, but since it was supposed to keep the students informed on school and community happenings, the adviser, Robert Brinks, and the editor, Barbara Breihof, decided to make it a weekly. The experience of meeting deadlines and writing articles has helped the entire Journalism Class realize the importance of accurate newspaper reporting.

“Come on, Barb, let’s get going, or you’ll be late for your next deadline,” says Advisor Bob Brinks.

Library Club grows larger each year.

One of the most active organizations in C.P.H.S., the Library Club thrives on activities, such as a sister-brother week for the Faculty and themselves at Christmas time, a tea for school personnel, parties, and sales. Each year, if they earn \$50 in projects, our art teacher, Mrs. Batts, will donate the same amount for the purchase of library materials, since our library was dedicated a year ago to her late husband, Robert A. Batts. In November they attended regional SLAAM at Greenville High School. Connie Pepple of C.P.H.S. was corresponding secretary for the 1966-1967 year. The new officers from our school for the 1967-1968 year are: Wesley Miller, vice president and Patty Kiskie, corresponding secretary.

This year's officers talk with Librarian, Marguerite Popovich about their duties of filing cards.

Senior Y-Teens set a good

"Activity in the field of service is the main objective of the Senior Y-Teen organization", says Marlene Herrala Advisor. Besides contributing its services to the projects headed by the Y.W.C.A., such as collecting money for UNICEF and dressing dolls for Santa Girls, the Y-Teens contribute to Thanksgiving baskets each year for a needy family. As members of Y.W.C.A., Y-Teens are encouraged to participate in all activities at the main "Y", including the use of the pool and gym facilities. Also, each summer, a Y-Teen is sent from our club as a delegate to Y.W.C.A. Summer Club to participate in learning and fellowship experiences.

example for Junior Y-Teens.

J. Bacon, President P. Russell, Advisor Gladys Taylor, J. Clark

Junior Y-Teens are members of the international YWCA. Their goals are: to grow as a person; to grow in friendship with people of all races, religions and nationalities; and to grow in the knowledge and love of God. We have thirty-five very excited young ladies looking forward to the traditional "Candlelight Service" which will be held at the Central YWCA this year. This occasion formally admits a girl into membership and emphasizes the responsibilities set forth for her throughout the year. All of the officers attended the "Leadership Training Program" where many new ideas were brought back to our group—so we have had a busy year both socially and in service projects.

Future scientists express their knowledge.

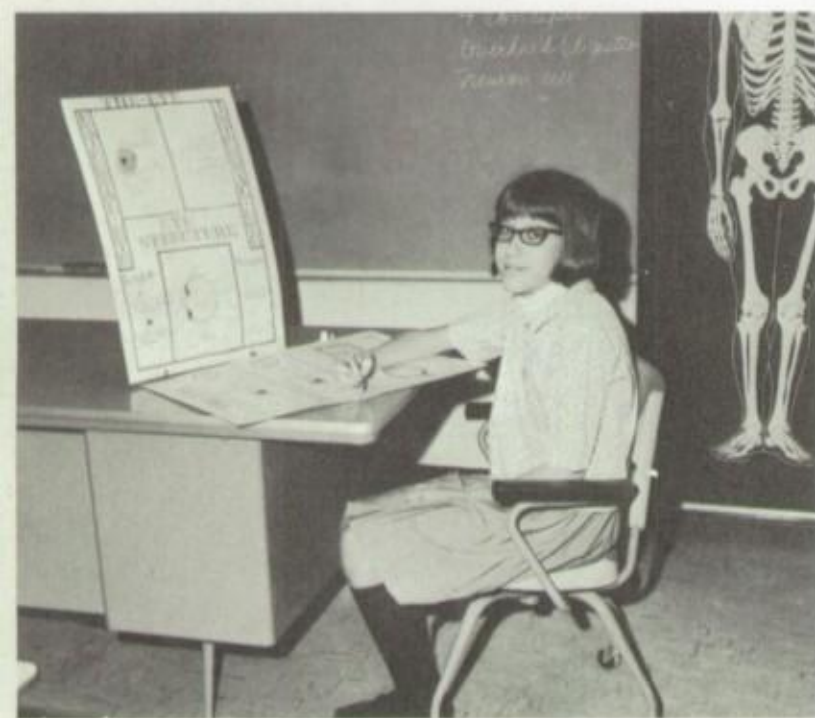

The Ninth annual Junior High Science Fair under the direction of Mrs. Gladys Taylor, took place March 20, 21. Projects were on exhibit, in the gymnasium with blue, red, green, and yellow ribbons hanging from forty of the one hundred and twenty entries. The judging was difficult as always, but four very capable science teachers from Grand Valley College did an outstanding job on selecting the best projects.

It wasn't over for some as they were chosen to participate in the Kent County Science Fair held at the Civic Auditorium and had to assemble their projects again for the 3rd. of April.

The C.A.T.S. are on the prowl.

An organization which has caused a lot of comment the past two years is the C.A.T.S. . . . Comstock Athletic Team Supporters. According to information passed out by the C.A.T.S. themselves, there are 10 members. This secret organization always finds time after hours to surprise the students and faculty with anything from signs to cages. Do you know who the C.A.T.S. are?

And she said, . . . "Let there be song."

The quintet consists of Jeanne Loshbaugh, soprano, Debbie Jo Gordon, alto, George Riggs, baritone, Janet Loshbaugh, alto, and Connie Pepple, soprano. This group, although all members of the mixed chorus, have done all their work on their own time. They have performed at the spring concert, at P.T.S.A. meetings, and at the elementary schools in Comstock Park.

The mixed chorus has participated in a Christmas program, the Seaway Conference Choral Festival, the Tri-River Conference Choral Festival, and a spring concert.

Both groups are under the direction of Priscilla Crummel.

Students learn to speak before groups in many ways. With an emphasis on knowledge of current events, students may write a speech designed to create awareness to a problem.

Each student practices speaking, thinking not only of the verbal presentation, but also of the eye contact, voice manipulation and physical movements. These, along with a good script, combine to make good practice for the students, and good listening for those who were not participating at the moment. It is a great deal of work, but necessary to provide the students with enough experience to enter the State Declaratory Contest in the spring.

This year's Cross Country team put forth their best effort at their meets, truly representing Comstock Park well. They look forward to a very successful and promising season next year with the return of all but three seniors, M. Hoven, M. Holford and B. Atwood.

With fine coaching, Captains apply leadership.

TRI-CAPTAINS: Skip Weatherford; Neil DeVries; Mike Mulvey

Don Hondorp—Head Coach
Bob Brinks—Assistant Coach

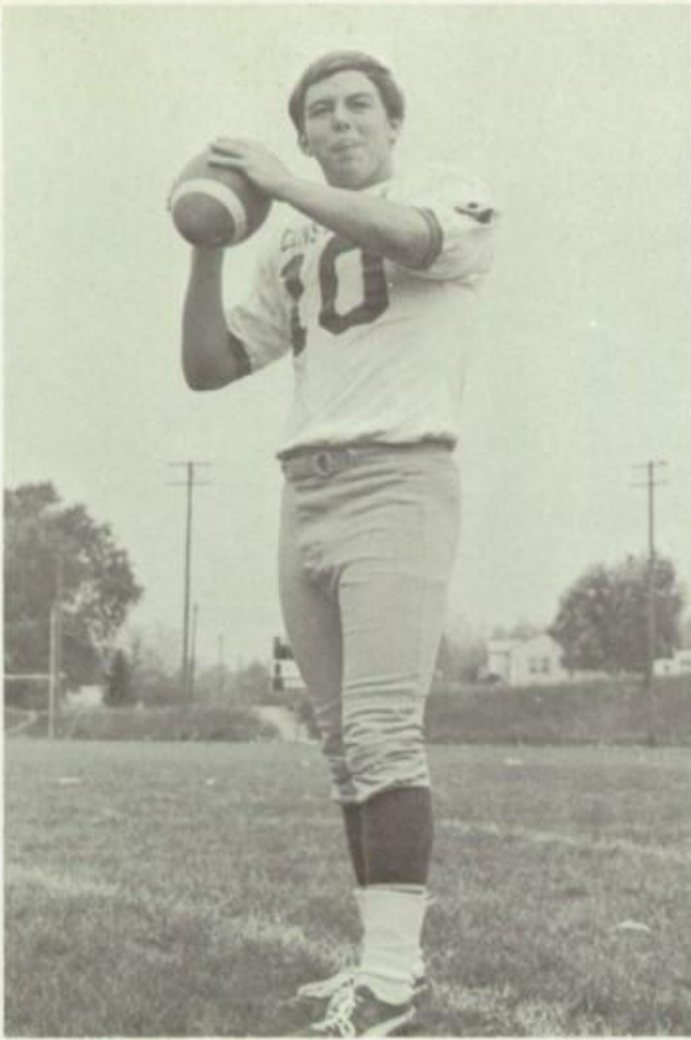

Football has been defined by Daniel Webster as a competitive game played with a large inflated leather ball by two teams of eleven players each. The object is to score 6 points by moving the ball on the field to the goal line at either end. This means much more to the 22 players on this year's varsity team. An undefinable quality plus spirit and enthusiasm was present throughout the entire season. In all kinds of weather regardless of a victory or defeat each man played 100% for the team and for the school. Even though our record didn't bring us a championship, the coaches and team can be proud of their efforts as we are equally proud of them.

Mike Mulvey, first recipient of the Hausser Award for outstanding football player, shows award to coach Hondorp.

Hey man, are you real.

Our J.V. Fights for Victory.

Coach Michael Wolven's Junior Varsity had the most wins of any football team this fall. During this successful season, the J.V. beat two undefeated teams, and lost to West Catholic by only one touchdown. Their record of six wins and three losses makes this year's second team one of the best C.P. has ever had.

Mr. Wolven would like to say that he is very proud of his team and to thank the fellows for such a wonderful season.

JUNIOR VARSITY FOOTBALL

FIRST ROW: R. Sawyer, D. Whaley, R. Kleis, D. Rusche, S. Kimberlin, B. Mulvey, R. Mora, B. Reidt, D. Haysmer; SECOND ROW: D. Eldred, R. Huyser, B. Pahl, K. Byers, K. Vandenberg, B. Moneybrake, B. Kitzrow, Coach Michael Wolven.

Freshmen display spirit and determination.

FRESHMEN FOOTBALL

FIRST ROW: T. Breihof, P. Lamberts, K. Denton, H. Chippeway, D. McDonniel, R. Callender, C. Klifman, C. Majewski, L. Versluis, C. McGarry, J. Buurstra, B. Funk; SECOND ROW: Coach Porter, A. Klopp, S. Ketchel, M. Pifer, M. Brown, R. Millering, D. Hendee, A. Mull, M. Grewe, D. Nelson.

Although the Freshman team didn't bring home a victory, it displayed a great deal of spirit and determination, two qualities necessary in forming a champion football team. Freshmen football is primarily for teaching the basics of football.

This year we were fortunate to have a fine, new Coach Mr. Robert Porter. Coach Porter had a fine team of boys who had all improved 100% by the end of the season, and, if they keep it up, will be the Varsity Stars of tomorrow.

Varsity 67-68

A Basketball team has been compared to a basketball. Both must be highly inflated before the game can be played. Like a basketball the team must be able to bounce back time and time again. Whether it was a victory or a defeat our boys have always bounced back to give their all for C.P.

Advisors efforts show fine results.

The Varsity Cheerleaders receive help from their advisors on their latest cheer.

Who always spends extra hours working after school? It's our "one and only" Athletic Director, Joseph Cassis. He sets up athletic events, works on refreshments, pays bills, and still finds time to teach classes. Joe Cassis deserves a lot of credit for his hard work.

Our cheerleading advisor, Barbara Friend, carries quite a load, but her student teacher, Lynn Cleary has helped her very much. Miss Friend not only works hard coaching girls Basketball, but with the help of Miss Cleary, she also teaches gym class and advises the five squads of cheerleaders.

Varsity and J.V. Pantherettes have a successful season.

VARSITY BASKETBALL

LEFT TO RIGHT: B. Swett, A. Savolainen, M. Millering, B. Rector, L. Andree, Coach Lingle Griffin, J. Stimson, M. Taylor, J. Bates, L. Cox, S. Swartz.

One of the most popular extra-curricular activities for the girls at C.P. is girls' basketball. The "Pantherettes" displayed good hustle and scrap, and this year's team proved it in every game. Next year, the coaches look forward to a successful season, with the return of many regulars.

JUNIOR VARSITY BASKETBALL

FIRST ROW: R. Brenner, P. Lauer, J. Belliel, J. Holland, P. Siegel, S. Cochrane, S. Merrills; SECOND ROW: B. Welling, S. Laughlin, D. Barnes, K. Sanders, S. Donmyer, D. Paulson, P. Flanagan, J. Captain Doug shows his winning form in Regional tournaments.

Our wrestling team this year was handicapped from the beginning for the season. A small turnout for the team forced them to forfeit several weights in all the matches. Even with this hindrance Coach Gary Jansen's grapplers wrestled well and made several close matches.

We sent four boys, Doug Bentley, Dave Rusche, Phil Obetts, and Pat Kimble to the State Wrestling finals in Lansing.

Thank You, Team, for representing C.P. to the best of your ability.

Skiers "meet on the slopes."

FIRST ROW: W. Skibinski, M. Barnhart, J. Belliel, M. Spaulding; SECOND ROW: P. Rozegnal, K. Erickson, G. Cochrane; THIRD ROW: S. Morse, P. Taylor, M. Taylor, M. Holland, K. Slaktoski, Coach Michael Wolven; FOURTH ROW: K. Clark, J. Sepanik, K. Knappen, M. Mahnke; FIFTH ROW: B. Barber, C. Unjian, S. Moul, A. Kovalak, M. Anderson, G. Moul, B. Bronner, M. Burns.

With the shouts of "meet you on the slopes" ski enthusiasts lead their equipment and themselves onto the bus and head for nearby Cannonsburg. This is the second year for the ski club and advisor Michael Wolven is happy to see more students coming out for the sport. After several runs on the advanced and intermediate slopes all are ready for a cup of hot chocolate.

Tennis: the "game of love."

The tennis team is coached by John Steward. Mostly, the lettermen have returned, Max Howe, Bob Stockton, Jack Knappen, Rob Straayer, Doug Bently, and Gary Semeyen. Sparked by last years players, and the new players, the team expects to do well in the Tri-River Conference, and as well as through the season.

FIRST ROW: J. Cochrane, D. Bently, G. Semeyn; SECOND ROW: Coach John Steward, J. Knappen, C. Besmer, M. Howe, R. Straayer.

FIRST ROW: G. Klifman, A. Johnson, S. Clark, D. McDonniel, G. VanderLaan, S. Kimberlin;
SECOND ROW: M. Brown, B. Reidt, J. Kimble, P. Lamberts, M. Mangold, D. Whaley; THIRD
ROW: C. Majewski, R. Millering, D. Hendee, J. Baas, W. VanderKlok, R. Kleis.

Golfers strive for a "hole in one."

In 1967 Comstock Park placed 2nd in the Tri-River Conference, and 5th in the State. With the return of 5 letter-winners we have a promising chance for 1st in the Conference, and a high finish in the regional and State meets. Coach Richard Buth is happy with the largest turnout in history, 18 players. The leaders this year appear to be L. Skar, Sam Kovalak, Jeff Hoag; Brad Bouk, Dick Kienitz, and Paul Hoag.

FIRST ROW: J. Ploeg, J. Skar, T. Andree, T. Breihof, J. Buurstra; SECOND ROW: R. Maczka, D. Nelson, R. Troupe, R. Huyser, D. Lueder, A. Klopp; THIRD ROW: L. Skar, S. Kovalak, J. Hoag, Coach Richard Buth, B. Bouk, D. Kienitz, P. Hoag.

Tomorrow is ours . . . We have the power to make it or break it . . . We dedicate it to youth . . . to success . . . to the hands of tomorrow . . .

We; the class of '68, will fondly remember

Advisor, Michael Wolven; President, Rob Straayer; Vice-President, Margie Taylor; Student Council Representative, Linda Steil; Secretary, Karyl Mosies; Treasurer, Jill Bates; Student Council Representative, Brian Broneer; Advisor, Robert Savage.

Here we are, the graduating class of "68." We can now look back four years to our freshman days where we set our goals to be a very imaginative and productive class. In 1965 we undertook the tasks of painting the football bleachers as well as selling magazines and candy.

That's one year down—three more to go; you just wait—there is more to know.

As sophomores, we again sold magazines, candy, and worked very hard on a winning float. We then sponsored a well organized battle of the bands; and, to end 1966, we were the first sophomores to order classrings.

We have finished two—that's two to go; our Junior year has much to show.

We added to our treasury in 1967 by having another carwash, selling magazines and savor coupons. We then had the Valentine dance, "With a Song In My Heart." The Hilite of our Junior year was the Prom, "Three Coins in a Fountain," held at the Morton House.

Now that's three done, and only one; to conclude our years of work and fun.

It's finally the year of 1968 for our senior class to graduate. With skill and determination our class again won the float contest. We had another carwash and sponsored the Homecoming dance entitled "Happiness is—." As the custom of seniors, we chose our motto, "Hope for the best, get ready for the worst, and take what God chooses to give." We chose our colors to be forest green and mint green, and our class flower to be a rose.

That's four years down and a future to go; we yet have many seeds to sow.

our high school days.

This year here in Comstock Park has been the most wonderful in my whole life. I will never forget C.P.H.S., its great teachers and great students. Your school spirit and patriotism—keep them always high. I do not know how to express the thankfulness I feel towards you all. I have learned a lot and had so much fun. I will miss you back in Finland, but it is sure that I will be back as soon as possible, and we'll meet again. Until then.

Aila Savolainen

Spending a summer in Germany was the most fabulous experience of my life. Speaking the German language and learning the German ways of living enabled me to understand the German people. I owe much gratitude to the Kohler family for treating me as one of "theirs," and for making such a wonderful impression on me of German family living.

Joanne Dewey

I would like to take this time to thank those who gave me the opportunity to spend last summer in Denmark. It is a beautiful country and the people gave me a warm welcome. I hope that I gave them a good impression of the United States and Comstock Park.

The Youth for Understanding Program gives opportunities that will be treasured by me forever.

Sincerely & Thankfully

Marilyn Holland

I would like to take this opportunity to thank all who are and have been involved in our teen-age exchange program and thank them for sending me to Uruguay in South America. A program and trip of this sort is not forgotten easily and is well worth the time and effort put into it. In the years to come I feel this teen-age exchange will help better world understanding and make a better life for all of us.

Sincerely & Thankfully

We have crossed the bay;

Lynne Smith, attended Girl's State at the University of Michigan during the summer of 1967. The purpose of Girl's State is to show how to make laws and elect officials, to learn about local and state government. From this Lynne was chosen mayor of her city. Of course she enjoyed the planned social functions during her week's stay.

Mike Paskewicz was selected to represent our school at Wolverine Boys' State. The program consisted of 1,300 boys—all seniors. The boys were divided up into cities and countries. Mike held the office of chairman of the city council. During his week's stay many friends were made and an enjoyable time will be remembered.

We are proud of Diane Stoken! She has earned the right to be this year's Comstock Park Betty Crocker Homemaker of Tomorrow. Diane achieved the highest score in the General Mills Inc. Contest.

This year Jill Bates was chosen by the faculty to receive the Daughter of the American Revolution Good Citizen Award. The award goes to a senior girl who demonstrates qualities of Dependability, Leadership, Service, and Patriotism through her entire four years of high school.

the ocean lies before us.

As freshmen we never thought graduation would come so soon. Now as Seniors we find that graduation has come with many hopes and fears. Maggie looks on as a nervous Debbie puts on Louies' robe instead of her own. With a helping hand from the boys the soon-to-be-graduates get ready for the commencement ceremony. Family, friends, and faculty watch our class of 95 Seniors enter to receive their diplomas. After the recessional, as 13 years of memories flash through their minds, Mark, Laura, Louie, Marilyn and Dave gather in the cafeteria for a handshake of congratulations and farewell. The class of 1968 will leave, never to be forgotten.

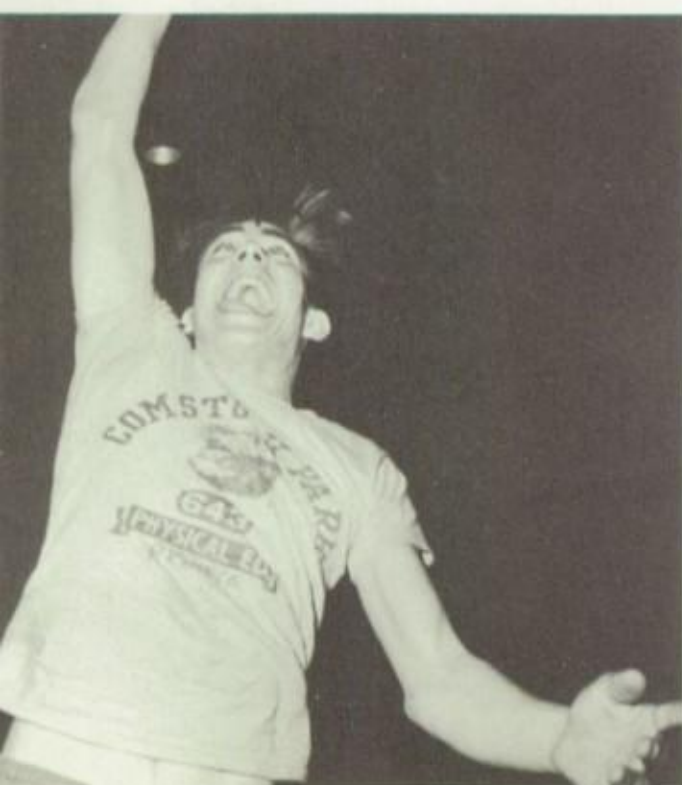

Future Varsity prepares their cheers.

UNDERCLASSMEN

Underclassmen . . . the majority of the students . . . looking to the seniors and faculty for guidance . . . concerned with the development of responsible citizenship . . . learning how to support themselves . . . the excitement of electing officers, of working together on projects . . . all this is training for higher achievements.

Juniors look forward to their Senior year in '69.'

Two of the many activities sponsored by the Junior Class are the Sweetheart Swirl and the Prom. Many hours of hard work and preparation by Charlene Coovert, Secretary; Kay Welling, Treasurer; Charlie Stone, Vice-President; and Linda Cox, President; are reasons why Howard Meyers and Lloyd Bishop are proud to be Advisors of this class.

Nathy,

Good luck with your
future years at C.P. H.S.

Be good and try to
stay out of trouble
this summer. And good
luck with the boys too.
You're a nice girl when
ya want to be. I think
you're really funny when
ya get mad. Oh well

too. Maybe still here
next year and I am
a little more here
Be a nice girl
like ya all the time.

Kathi,
It's been
nice having a nutty
kid around, and I hope
ya pass this year so
we'll have a nutty kid
around and it won't ever
be the same if ya
don't pass. P.S. Have fun
this summer, but stay
outta trouble if it's possible
Luv ya,
Cheryl
